

FIND A CERTIFIED PRO NEAR YOU

The Chesapeake Bay Landscape Professional (CBLP) certification is a program that provides training for professionals who practice sustainable landscaping in the Bay region. Level 1 CBLPs have skills and training to be trusted partners for environmental stewardship and green infrastructure projects. Level 2 CBLPs have advance training and work experience in the design (CBLP-D) and/or installation (CBLP-I) of residential or small commercial size sustainable landscaping and green infrastructure practices.
